POLICY REGARDING FOOD/BEVERAGES

The Tussey Mountain School District, in recognition of its responsibility to better protect the health, safety and welfare of the students and staff, prohibit the following:

1. The consumption of food and beverages in classes, study halls, corridors or other areas of the school without the permission of building administration.
2. Reclosable beverage containers or containers similar in nature for the consumption of water, soft drinks, juices, etc. are allowed only in the cafeteria. Consumption of the aforementioned items outside the cafeteria without building administration permission will be considered in violation of this policy and may be subject to disciplinary measures and/or confiscation without restitution.

POLICY REGARDING BACKPACKS

The Tussey Mountain School District also prohibits the carrying and use of backpacks or items similar in nature in hallways, classrooms or any other area of the Tussey Mountain Schools during the school day, and while participating in or attending afterschool activities. This includes athletic events and dances. Prior to the beginning of the school day, before homeroom period, students must store backpacks and similar items in their assigned locker. At the elementary level, this will be in the areas designated for storage of such personal items.

Backpacks or items similar in nature can pose potential tripping hazards when removed and placed, as they often are, on floors. Occasionally, they may also be misused to carry and conceal drugs, alcohol, weapons, tobacco products, etc. This makes for a potentially dangerous situation for the school at large. Accordingly, this policy is intended to achieve a safer school environment for all.
